

Overview: Event Evaluation

Status

Implementation status: Approved by Servants Council

Date: 2026-05-30

Principle (from Streamline)

Every significant event should have a post-event debrief against mission alignment, wins, improvements, and stewardship — with a clear recommendation to continue, adjust, or retire. Otherwise events repeat without learning.

Mayflower's Current Practice

Mayflower has a complete Event Evaluation SOP and a fillable debrief template. The template captures mission alignment, wins, improvements, stewardship check, and recommendation.
